P.C.:-

In Sessions Case No. 354 of 2003 decided on 23.3.2006 the learned trial Judge, on appreciation of evidence on record convicted 11 out of 12 accused for the offence with which they were charged and accused No. 12 was acquitted. This application is directed against the order of that acquittal and leave is sought. The order of acquittal is well reasoned order recorded by the trial Judge after having found 11 out of 12 accused guilty. In such circumstances there is no question of interference with the order of acquittal which is well reasoned and supported by evidence. Hence application is rejected.
